We received money from district to buy literature (big books, 12 and 12, etc) for women and men jail meetings.

## **Topic: Spring workshop**

Dates: April 30 or May 7

Location: Memorial Presbyterian

Suggested panel discussions: anonymity, transitions, steps, sponsorship, three legacies, history of AA

Decided on budget of \$50 for rent

Theme: Spring into action, New beginnings, Turn it over

Chair people for event: Jay, Steve, Erica, and Elizabeth

Workshop committee will hold meeting on Sunday, February 27 at 5:30 at Coffee Chaos. Please join them if you would like to be part of creating the workshop.

Flyer for the workshop will be complete by the end of March for posting on our website and distribution to the meetings.

Kristan will contact Patricia to acquire three plays for the committee to choose from.

Kristan will check back on past workshops expenditures so we will know how much to budget for food/beverages - be sure to include coffee in the purchases.

We have a non-profit number for purchases.

It was suggested that we approach individual groups for donations of pop, chips for the event.

It was brought to our attention that in the past groups are not generally asked to donate.

Kristan asked for opinions if she could NOT blind copy her emails to the AA members. Some discussion followed but inconclusive.

Jay asked if we could look at our committees and take a direction for our greatest need. Aaron asked about getting phone numbers for people getting out of treatment. It was also suggested that we form a literature committee. Discussion followed. We will address our greatest need at another meeting.

Respectfully submitted,
